Stimulating Brilliance

OPENING EVENING

Why Choose HIC?

The college is currently registering students for September 2018 full time and part time.

HIC support students to reach their maximum potential using an appropriate blend of Our 7 Strengths for Success which provide an excellent pathway to exams and university application process. The college has an excellent university placement record.

Our 7 Strengths for Success:

1. Small class sizes with high academic focus
2. Well qualified and highly experienced teachers
3. Individual learning plans based on SWOT strategic planning matrix
4. Tutorial sessions in addition to regular lessons
5. Variety of engagement opportunities
6. Additional revision and exam preparation classes
7. Inbuilt University Preparation Program (UPP)

WEEKEND TUITION (YEAR 3 TO YEAR 10, GCSE AND GCE A LEVELS)

We are an approved centre for Edexcel, OCR and AQA Exam Boards

- Always striving for best grades for the students
- Regular and consistent homework and feedback
- Facilitating revision and practising exam style questions
- Building confidence and developing the personality
- Value added to their current grades
